

*Now to Him who is able to do  
immeasurably more than all we ask or  
imagine, according to His power that is  
at work within us, to Him be glory in the  
church and in Christ Jesus throughout all  
generations, for ever and ever! Amen.*

The Summit is a gathering of church leaders exploring a journey to authentic generosity. It features great teaching and personal testimonies from other Christians and churches who are attempting to create cultures of financial faithfulness and generosity in their lives and in their churches.

### Just imagine ...

If your church has “generosity” as a core value ... giving liberally of their time, talent and treasure ... individuals and families, having learned to be good stewards of what God has given them, minimizing their debt so that they can maximize their giving ... stepping up to new opportunities to serve God, each other and the community ... just imagine a church set free from the bondage of greed and the joy that would overflow from that church! You don’t have to imagine ... that kind of church exists!

### Isn't it time generosity was unleashed in your church?

The Summit will encourage you, empower you, and free you in the entire area of stewardship in your ministry. The Summit is more than theory ... it is learning from and leveraging the expertise of some of our country’s leading pastors. Leaders will be presenting both in person and by video.

### This is an “invitation only” event!

Only a select group of local churches will be attending this event. This will allow us to create a more interactive hands-on experience for every church team that attends.

### This is a team event!

Our desire is for you to bring a team of 8 people that includes a good mix of staff and lay people. They should be like-minded and have a heart for seeing generosity of time, talent and treasure become a core value at your church. Your team should be those who can carry out any vision for improvement that God may give you at the event. (For help determining who to invite, contact Sarah Flashing at Converge MidAmerica, 847-692-4125.)

### In hosting this event, we have shown our generosity!

October is *Generosity Month* and Converge MidAmerica seeks to promote a culture of generosity in our churches by blessing you with this opportunity to hear from master coach and strategic thinker, Scott Ridout. So, whether you come alone or bring others with you, there is no charge to attend for those who sign up by Sept 10th. Snacks and lunch at the Summit are included.
