Description of Worship

- Worship is based on Scripture.
- Worship is Christ-centered.
- Worship is the ultimate purpose of the church/individual: It is the goal and the process.
- Worship services are usually coordinated with the preaching themes.
- The process of planning and implementing worship services becomes an opportunity for many people to develop and exercise their gifts and abilities.
- Different tastes and preferences in worship style are valued and affirmed.

Essential Functions

1. Oversee the planning, rehearsals and implementation of worship services. (Weekly, Christmas Eve and Good Friday)
2. Recruit and train people who serve in the worship network.
3. Disciple those who serve on worship teams.
4. Oversee the scheduling of worship teams, worship leaders, and tech teams for all worship services.
5. Meet on a regular basis with the Sr. Pastor to discuss the integration of preaching themes with worship planning.
6. Guide the work of the Worship Ministry Team and the Programming Team.
7. Attend staff meetings and work alongside other leaders to fulfill the mission and vision of the church.
8. Provide guidance and support as needed to the coaches assigned to worship teams for various age groups and ministries in the church.

Qualifications

(These are the desired qualifications. Some qualifications may be adjusted depending on specific situations.)

Applicants will be subject to a background check.

- A personal relationship with Jesus Christ
- Able to play the guitar or piano with confidence in contemporary styles
- At least 2 years experience in leading corporate worship
- Commitment to the core values, core beliefs, mission and vision of Faith Church
- Understanding of basic technology used in worship services
- Ability to equip and empower other leaders
- A teachable spirit
- Ability and desire to work with a team of leaders
- Able to understand and teach music theory
- Membership at Faith Church of Grayslake
